## Education

2019 PhD Linguistics, Harvard U  
2012 MA Linguistics, U of Ottawa  
2010 BA English & French, LB U of Sibiu

### selected other coursework:

Probabilistic language understanding (14w) [↗](#)  
SQL essential training (3h) [↗](#)  
NLP with Python for Machine Learning (4h) [↗](#)  
Learn you a Haskell [↗](#)  
SDL Trados Studio [↗](#)

## Skills

for details see my [academic CV](#) & [↗](#)

data science  
machine learning  
EFL instruction  
linguistics  
language conversion  
natural language processing

translation & interpreting (EN-RO)  
data collection & storage  
data exploration & visualization  
teaching  
research  
reviewing  
advising  
proofreading & copyediting (academic EN)  
management  
data preparation / cleaning  
data experimentation & prediction

Haskell  
Python  
Emacs  
Git  
LaTeX  
SQL  
Linux  
R  
Bash  
JavaScript

Bangla<sup>Georgian</sup>  
Esperanto Spanish  
Mandarin English  
Romanian  
Greek French  
Russian German  
Italian

ability to learn fast  
ability to take feedback  
perseverance  
professionalism  
problem solving  
open-mindedness  
dependability  
willingness to learn  
empathy  
critical thinking  
integrity  
organization
